The Big Four: Seasons TRAILER

**The screen begins on the sky, clear and blue and peaceful.**

**EMMA

>I remember my mother once told me that everything happens for a reason.

Eugene is walking next to a brunette Rapunzel as they're walking away from Corona. They seem to be leaving, packed for a long trip.

**EMMA

>And that sometimes the things that happened in the past can haunt the future.

**Merida is hugging her parents goodbye before she is tackled by her brothers. She hugs them each and says something no one can hear. She is also packed.**

**EMMA

>Others say that it's all down to Fate. Because after all, we can't change that.

**Hiccup waves goodbye before turning, walking away from the village of Berk with Toothless. He has a basket over one shoulder and a sword on his hip. **

**EMMA

>Can we?

We see Jackson Overland, brown hair and eyes, hugging his little sister Emma before walking over to Eugene, Rapunzel, Merida, Hiccup, Toothless, and an old woman.

WOMAN

>Ready?

HICCUP

>As we'll ever be.

SLAM TO- The Seasons' Cave

The screen shows a diamond carved into the wall. Each fourth of the diamond is a different color.

WOMAN

>The time has come for the four seasons to return.

There is a flash of Jack touching his bed and frost spreading out, Merida accidentally shooting a small ball of fire out of her hand, Rapunzel growing flowers wherever she steps, and Hiccup touching a tree trunk and causing it to turn brown and drop its leaves. Each has an identical expression of shock and disbelief on their faces.

WOMAN

>An enemy has returned after centuries, and only they can stop it.

We see Merida, Jack, Hiccup, and Rapunzel standing back to back and fighting.

The screen switches to Jack, looking unsure and downcast.

JACK

>I'm a shepherd, I'm not cut out for this.

the elderly woman puts a hand on his shoulder.

WOMAN

>You were chosen because you're special.

We cut to Rapunzel hugging Eugene, her face buried in his shoulder.

RAPUNZEL

>I don't want to fight!

The sky is full of smoke. It's a terrible battle, but all we see is Merida's panicked face as she reaches towards something no one can see.

MERIDAHiccup, look out!

The screen goes black.

RAPUNZEL

>(Singing slowly)Flower gleam and glow...
